The order of 25th January 1901 shows that besides Mr Sharma Rao whose place has since been taken up by Mr V Naidu it was intended that there should be only 4 Inspectors in the I st grade (Corresponding to C Class I) It further shows that Mr M Sreenivasa Rao should be promoted to that grade on reaching the maximum Salary of 200 in C Class II. Mr S Rao now draws Rs 190 and will reach Rs 200 next year In the mean-time since there is a vacancy in class I, he should I think, be sent up to that grade If this is done there will be no vacancy in the I st grade that grade

Then again, there are 3 other by Inspectors in the 2nd grade (Corresponding to C class II) two of whom draw more pay than Mr Venkatasawamy Iyer who

Under these circumstances as Mr Subbarya will draw no part of the pay of his appointment as Deputy Inspector, his services being considered as lent to the Palace, his place in the Education Department

Department may be filled by an officer appointed "substantively for a time" under section 74 of the Empire Service Regulations. copy put up

From

H. J BHABHA Esq

Inspector General of Education in Mysore,

To

The Secretary to the Government of Mysore
in the Revenue and General Depts,
Bangalore

SIR,

With reference to para 1 of Order No 5703/29 206 dated 18th November 1896, I have the honour to enclose herewith a printed list of Deputy Inspectors as they were graded in 1893-94 before the grades and salaries of the higher Educational service were revised by Order C No 278-93 dated 25 January 1894 From this printed list it will be observed that there were three Deputy Inspectors in the First class three in the Second class and two in the Third Class in 1893-94 Mr M Srinivasa Rao was in the First class and was entitled to

rise to Rs 240 in the old First Class. When the grades were revised by the Order of January 25th 1894, para 9 of that Order expressly provided that Mr M Srinivasa Rao would be entitled on reaching a salary of Rs 200 to be placed in the new First Class He reached the salary of Rs 200 on the 1st November 1896 and is therefore entitled in his own right, and not on account of Mr Subbarya's transfer to the Palace, to be placed in the First Class Para 1 of Order No $\frac{5703}{\text{Ed } 206}$ dated 18th November 1896 however renders Mr Srinivasa Rao's promotion dependent on Mr D Subbarya's absence on other duty Should circumstances so happen that Mr D Subbarya returns to the Educational service before his retirement, Mr Srinivasa Rao will have to revert to the Second Class in accordance with this Order The practical effect of the Order is to reduce the number of places in the First Class from three to two, which would be a great loss to the service, while it was contemplated by para 9 of the Order of 25th January 1894, that there should be three Deputy Inspectors in the First

no He will then be treated as working in the 1st Class all

Practically There were 2 only in the 1st Class all

Class when Mr. Srinivasa Rao reached the pay of Rs 200 It is true that in the nominal list attached to this order the Assistant to the Education Secretary was placed with the Deputy Inspectors of the First Class, as in rank and pay he was most suitably so placed But he was not a Deputy Inspector by the nature of his duties Under these circumstances I request that Government may be pleased to promote Mr. M. Srinivasa Rao to the First Class from 1st November 1896 permanently as was originally contemplated and not sub-pro-tem, and lay it down once for all that there will be three places in Class I, three in Class II, and two in Class III of Deputy Inspectors I beg to enclose herewith Mr. Srinivasa Rao's official application for promotion No A 232 dated 1st November 1896 and bearing Register No $\frac{5060}{236}$ of this Office

2 I will submit my proposals for filling up Mr. Subbarayas place in Class I by a sub pro-tem appointment on receiving the further orders of Government
